Bowling Tchaudens Miami

Organisation
The 24th GRAND PRIX DU LAUSANNE SPORTS, approved by Swiss Bowling and ETBF, No Urethane, is organized by the Lausanne-Sports Bowling Club. It will take place at the MIAMI bowling alley in Echandens (Vaud) and will be open to all licensed players registered with our Federation or a foreign Federation. The license must be presented upon payment of the registration fee.

Discipline
The Grand Prix is played in individual format, with a scratch ranking and a handicap ranking, without Urethane balls.

Handicap
The handicap based on the Swiss Bowling table as of December 31, 2026, shall prevail. For foreign players who do not have an average in Switzerland and for other players who do not have an official average, the handicap will be calculated on the first 4 games of the tournament. If applicable, it will be recalculated for each re-entry. The handicap of the qualifying series will be maintained for the rest of the tournament (1/2 final and final). Women benefit from a handicap of 8 pins per game for the scratch ranking, which cannot be combined with the handicap ranking.
For participants without a handicap as of December 31, 2026, the handicap will be adapted for each additional round.

Qualifying Rounds
Each participant plays 6 qualifying games (three times two games), according to the American system with a lane movement of 4 lanes to the right for even lanes and 4 lanes to the left for odd lanes after each series. The number of movement lanes may be modified if all lanes are not occupied during a qualifying round.
Lanes will be drawn by lot before the start of each round using the LEXER system. Re-entries are allowed, subject to lane availability.

1/2 Final
The top 16 scratch players and the top 16 handicap players will qualify for the two semi-finals, with priority given to the 'scratch' final. A player cannot claim to participate in both semi-finals. They will each play 4 additional games (2 series of 2 games) combined with the six qualifying games, counted at 50%, according to the schedule below (Lanes 1 to 8 handicap / 9 to 16 scratch).
In the event of a tie in the standings, the player with the smallest difference between their best and worst game (including handicap) will be ranked ahead. In the event of a further tie, the best game will be decisive.

Petersen Final
The top 8 players from each 1/2 final (scratch and handicap) will play a Petersen final, i.e., seven additional games starting from scratch. Bonus of 20 pins for a won match, 10 pins in case of a tie.
Players must be present 20 minutes before the start of the final phases.

Registration

The registration fee is CHF 80.- per person, respectively CHF 50.- for juniors.
Re-entry at CHF 60.-
It goes without saying that we will request licenses from young people who wish to benefit from these special prices.
