3. COMPETITION FORMAT

Format: 9-Pin No-Tap | Games: 3 per participant | Scoring: total pinfall including handicap | Ranking: highest combined score | Minimum: 15 paid participants | Maximum: 30 participants.

Nine or ten pins knocked down with the first delivery count as a strike. Other deliveries follow standard tenpin bowling scoring. The final classification is based on the combined score of all three games, including applicable handicap.

4. HANDICAP ALLOWANCE

An additional 8 pins per game applies to all female participants and all youth participants under 18 years of age, regardless of gender. The maximum allowance over three games is 24 pins. Allowances do not stack: a female participant under 18 receives 8, not 16, pins per game. Age is determined on the date of the relevant Monday competition. All bowlers compete in one combined classification.

Category	Handicap per game
Adult men (18+)	0 pins
Adult women (18+)	+8 pins
Youth boys (under 18)	+8 pins
Youth girls (under 18)	+8 pins
