The rules of Swiss Bowling (SB) apply.

All players holding a valid ETBF or ITBF license are eligible to participate.

Discipline:

The handicap is based on the official Swiss Bowling average list (season 2025/2026).

For foreign participants, the average will be determined during registration based on the license presented by the player or from an official website.

Qualification:

Participants play 6 qualification games each in American format. Multiple entries are allowed (Re-Entry). After every 2 games, lane changes occur: 4 lanes to the right for even-numbered pairs and 4 lanes to the left for odd-numbered pairs.

The tournament has 1 ranking (classification):

- A handicap ranking according to the Swissbowling table
In case of a tie, the highest last scratch game is counted.

The top 32 players and 4 players from the Desperado qualify for the finals, which are held in different steps.

Desperado:

1 game immediately following the last qualification round without lane maintenance. The top 4 players from the Desperado qualify for Final Step 1. Participation in the Desperado requires at least one qualification round.

Final Step 1:

Places 5–32 plus the 4 qualifiers from the Desperado play 4 games. Scores start again from 0.

Final Step 2:

The top 16 players and the 4 best from the qualification play 4 games. Scores start again from 0.

Final Step 3:

The best 8 players compete in a Petersen Final (carrying over 50% of the points from Step 2).

Early Bird qualification round: CHF 90 per player

Qualification round for juniors: CHF 80 per player
